Date Signed

☐ Please check this box to confirm you have discussed this plan with the faculty project / thesis advisor you have listed below, and that they have confirmed that they are willing and able to serve as the research advisor for this thesis / project.

Faculty Project / Thesis Advisor Name

In order to be officially enrolled in a CSE Master's Project or Thesis by the add/drop deadline you must:

1. Submit this form, filled out, via email, to the CSE Graduate Coordinator (benos@wustl.edu) at least 72 hours before the add/drop deadline.
2. The CSE Graduate Coordinator will then attach this form to the School's Docusign form, and your faculty project / thesis advisor will sign, along with the Master's Program Director, and then the registrar's office will enroll you.
3. ****Please note: Do not submit an override request for CSE7998. All enrollments will be handled by the CSE Dept and Registrar's office.**

If this form is emailed to the Graduate Coordinator within the final 72 hours before the add/drop deadline, we can not guarantee you will be enrolled in time, due to processing times for the School's Docusign form.
